

Release note - MPI Tech PrintServer

Version: S80 652.020

Release date: February 17, 2016

The new generation of MPI Tech LinkCom PrintServers is now available

The LinkCom 5 PrintServer services a single printer connection. LinkCom 5 replaces the LinkCom III S PrintServer and introduces a range of new features.

The design is the well-known design of the LinkCom III S that now hosts a brand new software platform that enables a range of new features and improvements.

New features in version S80 652.020

New features introduced in first release

- ✓ Supports IPv6 and IPv4 both for host, printer and the box itself.
- ✓ Printers and hosts can be addressed using hostnames, IPv4 or IPv6 addresses.
- ✓ 1 Gigabit support on the LAN socket.
- ✓ Support for printer connection via USB
- ✓ Faster conversion and printing. compared to LinkCom III S (actual printing speed may be limited by the memory and capacity of the individual printer).

Key features

- ✓ High speed conversion and output
- ✓ Printing in mixed environments with host printing and office printing
- ✓ IBM host printing to any laser printer or MFP
- ✓ Full IPDS support including colour printing
- ✓ Converts AFP/IPDS, SCS and DCA to PCL or PostScript
- ✓ Supports output to network via TCP/IP
- ✓ Supports TCP/IP sessions from the mainframe or System i
- ✓ Supports IPV6 and IPV4
- ✓ TN5250e/TN3270e enabled
- ✓ Connect printer via USB or network port
- ✓ 1 Gigabit network support
- ✓ Configuration using MPI Tech PrintGuide

Support and setup

- ✓ Please note that as the LinkCom 5 supports IPv6, and has other new settings. Setup must be performed through the updated PrintGuide version 065.490 (or newer). This is currently the only version of the PrintGuide tool that can communicate with LinkCom 5.
- ✓ PrintGuide version 065.490 is backward compatible and supports both the new LinkCom 5 as well as previous versions of LinkCom and DocOut.

LinkCom 5 versions

- ✓ PrintServer Basic version
- ✓ PrintServer w/ SCS/DCA support
- ✓ PrintServer w/ SCS/DCA and IPDS support
- ✓ PrintServer w/ SCS/DCA and IPDS full colour option

High speed versions are available.
